An interim rate increase of approximately 1.56%, applicable to all classes of service. was authorized by the Commission, effective July 1, 1983. The interim increase is subject to refund with interest.

Other matters to be addressed at the public hearing are as follows:

An examination of Inland's July 15, 1983 Application proposing amendments to Rate Schedules I and II arising from consideration of a December 1982 Report on "Rate Design Considerations" submitted by Allan J. Schultz, Consulting Engineer. Implementation of Inland's proposed amendments would shift revenue collection from the Industrial Rate Schedule II to the Residential Rate Schedules causing a rate increase of approximately 1.5%, additional to the 3.43% above-noted.
